It's the 1920s in Chicago and prohibition is in full swing. Secret mob controlled speakeasies are popping up all across the city in order to keep the public happy while using these establishments as a way to launder more and more cash. Supply lines are being cut and the police have begun to crack down, causing the mob to resort to more aggressive measures in order to keep their operation safe. You find yourself at The Bonfire Club, on an unassuming night when a mysterious piece of information comes across your table while enjoying your cocktails and Hors d'oeuvres. The series of events which follow could be your last if you're not careful. While you figure out the clues, enjoy a charcuterie and appetizer buffet along with beer, wine, and cocktails.
